VISITOR INFORMATION (Cont.)

Safety Info – Closed toe/heel shoes are required in all mission work areas. Safety shoes, safety glasses or other protective equipment may be required in other work areas. Contact the Protocol Office for additional information.

Personal Cell Phones/Other Personal Electronic Devices (PED)/Cameras and Video

The use of personal cellular phones is limited to certain areas within the installation in order to prevent interference with the depot's electronics maintenance mission. Acceptable locations include cafeterias and exterior locations not adjacent to functioning electronics equipment. Furthermore, individuals with cellular phones with integrated digital cameras with either still or video capabilities are prohibited from taking photographs without an approved camera pass. At no time shall cell phone or other PEDs be taken into a classified open storage area.

Driver Distractions. Vehicle operators and operators of Government owned vehicles shall not use cell phones unless the vehicle is safely parked or unless they are using a hands-free device. The wearing of any other portable headphones, earphones, or other listening devices (except for hand-free cellular phones) while operating a motor vehicle is prohibited. Use of those devices impairs driving and masks or prevents recognition of emergency signals, alarms, announcements, the approach of vehicles, and human speech.

Cameras/Video – PEDs are permitted on-post. However, photographs/videos may not be taken without a permit issued by the Security Division. Contact Protocol for information.
